

## **Become Spanish Mobility**

When I arrived , it was very hot then we went at the airport to welcome the other countries. We were very shy. When we arrived at the EFA , I was welcomed by my family.

### **Monday**

To know each other, we had the activity « icebreaker » and we also visited the EFA.

In the afternoon there was visit at the Honey Museum of Montroi. For the meal we ate paela., it was delicious. With Mrs Gibelin , I am going learn use eTwinning. We spent the evening together with our correspondents.

### **Tuesday**

We took the bus for the visit to the Spider Cave and the ecomuseum of Bicorp. We ate a typical food , the gaspachos. I don't really like it because , it had a weird taste. Then we went back to our families.

## Wednesday

It was the busiest day because there was the projection of the movie « The Bee Bang theory » at the EFA and a second time to Valencia for representatives of the agricultural and cattle raising sector of the autonomous community of Valencia.

We also saw the « Mascletà » in the Town Hall Square. It was very impressive.

## Thursday

We visited the Apicultural Cooperative Society and we have tasted several honey varieties. In the evening we ate together with the other families. It was a good moment.

# Friday

Return to France with touching goodbyes
